## Eatonic Works Magic

"I have taken only two boxes of Estonic and feel like a new man. It has done me more good than any-thing else," writes C. O. Frappir. Eatonic is the modern remedy for

acid stomach, bloating, food repeat-ing and indigestion. It quickly takes up and carries out the acidity and gas and enables the stomach to digest the food naturally. That means not only relief from pain and discomfort but you get the full strength from the food you eat. Big box only costs a trifle with your druggist's guarantee. Lee & Oagood, 131 Main St.
